

5Star Underwriting is a tailored insurance product dedicated to the motor dealership industry, offering comprehensive house account solutions for a broad spectrum of the market including new and/or used car, truck, motorcycle, caravan and machinery dealerships.

+617 3434 2626 | www.5starunderwriting.com.au

With experience, desire to succeed and devotion to the market, 5Star Underwriting continues to reaffirm itself as a market leader.

COVERAGE

The suite of coverage options has evolved over time and now includes:

- Asset protection – incorporating premises, contents and vehicle stock exposure
- Business Interruption
- Hail
- Commercial Motor Composite
- Broadform Liability – integrating public and product liabilities
- Equipment Breakdown
- Inland Transit
- Tax Audit
- Occupational Liability – ‘wrongful acts’ associated with the operation of the business.

APPETITE – PREFERRED RISKS

New and/or used:

- Car
- Motorcycle
- Truck
- Caravan
- Machinery.

WHAT MAKES US DIFFERENT?

- Over 20 years specialised experience dedicated to the dealership industry
- Continual security alliance with prominent Australian Insurance Corporations
- Structured wording designed to accommodate the exposures associated with the industry
- Property schedule does not form part of the policy allowing flexibility with the dispersion of assets across locations
- Claims are handled direct from start to finish with the Security to ensure stability in the process.
