SIGNIFICANT BENEFITS AND FEATURES

We believe the most significant benefits of this insurance policy are:

- a) protection against physical loss, destruction or damage caused by an accident or the deliberate act of a third party when the nominated items are in or on any type of conveyance, be it road, rail, ship or aircraft.
- b) market OR new replacement value basis of settlement.
- c) physical loss or damage to your nominated items that occurs during loading and unloading them from a conveyance.
- d) costs incurred in cleaning up an accident site following an accident involving your nominated items.
- e) marine jettison, general average and salvage charges that may occur when your nominated items are transported on an overseas vessel.
- f) the option to extend your cover to loss, damage or theft of nominated items when those items are removed from the vehicle or trailer.

If we agree to provide you with this extended cover you will be insured for one of the following:

- a) defined events; or
- b) accidental loss, damage or theft

The type of cover we have agreed to provide will be shown in the policy schedule.

THE POLICY DOES NOT COVER CERTAIN THINGS

Claims may be refused in certain circumstances. Please refer to the Nominated Items in Transit Insurance Policy terms and conditions for full details of the terms and conditions of cover and exclusions.

The policy does not cover:

Claims may be refused in certain circumstances. Please refer to the Nominated Items in Transit Insurance Policy terms and conditions for full details of the terms and conditions of cover and exclusions.

The policy does not cover:

- more than the sum insured you have selected for the insurance of your nominated items.
- more than the per item limit shown in the policy schedule if you have chosen an overall sum insured rather than a sum insured per nominated item.
- theft from the open air or from vehicles where there is no evidence of violent and forcible entry into the vehicle or a securely locked compartment.

THE AMOUNT OF ANY CLAIM MAY BE REDUCED

The amount of any claim made against the policy may be reduced:

- a) where an excess applies to each and every claim that amount will be deducted from the claim settlement – the amount of excess will be shown in the policy schedule.
- b) if you do not insure your nominated items for their correct value. For example, if you insure a nominated item for \$1,000 but its market value is \$2,000 you have only insured it for 50% of its value. In this case, you will only receive 50% of any claim. This is called underinsurance.
- c) if you do not nominate a sum insured for each nominated item claims will be limited to \$500 per item.
- d) if you do not comply with any policy condition.

SIGNIFICANT RISKS

This product may not match your expectations

This product may not match your expectations (for example, because an exclusion applies). You should read this PDS and the policy terms and conditions carefully. Please ask your financial services provider if you are unsure about any aspect of this product.

Your sum insured may not be adequate

The maximum amount we will pay under this policy will not, under any circumstances, exceed the total sum insured or any specified sum insured for an item.

Overdue premium

You must pay your premium on time otherwise your policy may not operate.

If you have not paid by the due date or your payment is dishonoured, this policy will not operate and there will be no cover.

A claim may be refused

We may refuse to pay or reduce the amount we pay under a claim if you do not comply with the policy conditions, if you do not comply with your Duty of Disclosure, or if you make a fraudulent claim.

THE COST OF THIS INSURANCE POLICY

The total premium is the amount we charge you for this insurance policy. It includes the amount which we have calculated will cover the risk, and any taxes and government charges. The premium and any taxes and government charges will be shown on your policy schedule.

When calculating your premium we take a range of rating factors into account. These factors, and the degree to which they affect your premium, will depend upon the information you provide to us.

The following factors have a significant impact on the calculation of your premium:

- sum insured
- whether you wish to have the transit cover extended to include cover for the nominated items when removed from the vehicle or trailer
- distance of transit
- the type of items you wish to insure
- security in place to lower the risk of theft

Premium payments are made prior to the commencement of the policy. You should arrange your method of payment through your financial services provider. A quote for premium may be obtained from your financial services provider.

YOUR DUTY OF DISCLOSURE

Before you enter into an insurance contract, you have a duty, under both the Insurance Contracts Act 1984 (Cth) and the Marine Insurance Act 1909 (Cth), to tell us anything that you know, or could reasonably be expected to know, that may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

NON-DISCLOSURE

If you do not tell us something

Where the Marine Insurance Act 1909 (Cth) applies:

If you fail to comply with your duty of disclosure, we may avoid the contract of insurance from its beginning.

Where the Insurance Contracts Act 1984 (Cth) applies:

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

VALUING YOUR PROPERTY

We require you to insure your nominated items for either their current second-hand value or new replacement value as indicated in the policy schedule.

PROVIDING PROOF

So that your claim can be assessed quickly you should keep the following:

- Receipts or other confirmation of purchase of the items you have nominated for insurance
- Police reports and receipts for security measures or repairs both before and after the claim incident

We may ask you for these if you make a claim.

This cooling-off right does not apply if you have made or are entitled to make a claim. Even after the cooling-off period ends, you still have cancellation rights however your Financial Services Provider may deduct certain amounts from any refund for administration costs or any non-refundable taxes.

If your policy is for an event that will start and finish within the 21 day cooling-off period, you can only exercise your right before the event starts or the expiry of the cooling-off period, whichever is the earlier. For example, for transit insurance, the commencement of the process to move your goods is the event.

TERMS AND CONDITIONS

INSURER

This insurance is underwritten by QBE Insurance (Australia) Limited, ABN 78 003 191 035, AFSL 239545.

OUR AGREEMENT WITH YOU

Where we agree to insure you based on the information provided in your application, we issue a policy schedule confirming cover.

The information contained in the policy schedule sets out information specific to you such as the cover we have agreed to provide and the policy sums insured and limits of liability.

Our agreement with you (the policy) will comprise this policy wording the policy schedule and any endorsements we issue. They should be read together and kept in a safe place.

Where we have agreed to enter into a policy with you and subject to the terms, conditions and exclusions of the policy:

- a) we agree to provide you with the insurance cover set out in each of the policy parts which are listed in the policy schedule, subject to your payment of or agreement to pay the premium set out in the current policy schedule;
- b) the insurance cover is in force for the period of insurance set out in the policy schedule;
- c) we will cover you for loss or damage occurring to the nominated items during the period of insurance and within the geographical limits shown in the policy schedule;
- d) we will not pay any more than the sums insured shown in either the policy schedule or this policy unless we have stated otherwise.

GST

The amount of premium payable by you for this policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the amount we pay.

When you are:

- a) not registered for GST, the amount we pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST.
- b) registered for GST, we will pay the sum insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number and Taxable Percentage.

Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.
