

SURA 360

SURA COMMERCIAL'S INTEGRATED ELECTRONIC DELIVERY PLATFORM

WHAT IS SURA 360?

SURA 360 is a market-leading product providing coverage for a wide range of SME commercial and industrial occupations through one streamlined, end-to-end system. Combining purpose built asset, income, liability and crime protection and delivered using SURA Commercial's custom-designed electronic delivery platform, SURA 360 gives value-conscious clients cover they can trust. SURA 360 is exclusive to AIMS members, integrating with our system and yours.

COVERAGE

Asset Protection: all risk property eliminates the need for multiple sections.

Income Protection: business interruption based on income and sales approach with agreed rates of gross profit.

Liability Protection: simplified wording incorporating advertising liability.

Crime Protection: combined money and fidelity section to reflect today's business climate.
