

MARINE CARGO, GENERAL PROPERTY, CARRIERS LOAD AND COMMERCIAL HULL

WHO IS SURA MARINE?

SURA Marine delivers international market quality insurance protection for marine cargo, general property, carriers load and commercial hull risks. Purpose built from the ground up by experienced marine underwriters with a commitment to quality, our promise is to deliver innovative, comprehensive marine cover that gives our select broker networks an exclusive edge.

COVERAGE

- Designed from the ground up to provide international market quality insurance protection, SURA's suite of marine insurance products are both comprehensive and innovative.
- Our cargo products extend the usual cover with additional benefits that provide added financial protection for those with cargo in transit.
- SURA's carriers load policy provides a simple and comprehensive way to protect road carriers for their responsibility for cargo damage, be it through their negligence or contractual responsibilities.
- Our innovative general property cover provides several options for covering nominated items against loss or damage, be it in transit, in a static location, or anywhere in the world.
- SURA's commercial vessel cover provides a simple plain English solution for the insurance of hull and machinery, liabilities, and loss of charter hire.

APPETITE

- Annual and one-off cargo risks from the simple to the complex, including static warehousing risks and stock throughput covers
- Carriers load risks for everyone from the small owner operators to the top tier transport companies and those who have specific contractual liability requirements
- General property risks for anything from tradesman's tools and race cars to high valued and specialised tools of trade
- Commercial hull risks, including coastal passenger charter and work boats.

WHAT MAKES US DIFFERENT

- Our products are exclusive to select broker networks
- Comprehensive policy coverage first time, every time
- Policy wordings have been developed drawing upon covers previously only available to international brokers
- Claims are managed efficiently by QBE's state based specialist marine claims staff
- Our strategic alignment with the insurer permits portfolio based underwriting and broader policy wordings
- Brokers have direct access to industry leading specialist underwriters.
