YOUR DUTY OF DISCLOSURE

Before you enter into an insurance contract, you have a duty, under both the Insurance Contracts Act 1984 (Cth) and the Marine Insurance Act 1909 (Cth), to tell us anything that you know, or could reasonably be expected to know, that may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend vary or reinstate an insurance contract

You do not need to tell us anything that:

- reduces the risk we insure you for;
- or is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

NON-DISCLOSURE

Where the Marine Insurance Act 1909 applies:

If you fail to comply with your duty of disclosure, we may avoid the contract of insurance from its beginning.

Where the Insurance Contracts Act 1984 applies:

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

TERMS AND CONDITIONS

INSURER

This insurance is underwritten by QBE Insurance (Australia) Limited, ABN 78 003 191 035, AFSL 239545.

OUR AGREEMENT WITH YOU

Where we agree to insure you based on the information provided in your application, we issue a policy schedule confirming cover.

The information contained in the policy schedule sets out information specific to you such as the cover we have agreed to provide and the policy sum insured.

Our agreement with you (the policy) will comprise this policy wording and any applicable Institute clauses, the policy schedule and any endorsements we issue. They should be read together and kept in a safe place.

Where we have agreed to enter into a policy with you and subject to the terms, conditions and exclusions of the policy:

- a) we agree to provide you with the insurance cover set out in each of the policy parts which are listed in the policy schedule, subject to your payment of or agreement to pay the premium set out in the current policy schedule;
- b) the insurance cover is in force for the nominated voyage set out in the policy schedule;
- c) we will cover you for loss or damage occurring to the insured cargo during the nominated voyage;
- d) we will not pay any more than the sum insured and/or sub-limits shown in either the policy schedule or this policy unless we have stated otherwise.

ASSIGNMENT OF INTEREST

Where a shipment involves either an import or export, transfer of this insurance by you to an assignee is permitted. In all other respects assignment of this insurance or any right under it is only permitted with our written agreement.

1. YOUR INSURED TRANSITS

The cargo is insured for the transit specified in the policy schedule.

2. WHEN YOUR INSURED TRANSITS START AND FINISH

Cover attaches and terminates in accordance with the Duration Clauses of the applicable Institute Clauses.

2.1 Transshipment

Transshipment is covered wherever occurring under policy conditions and at no additional premium.

3. WHAT YOU ARE COVERED FOR

Insured shipments are insured to the extent provided by the provisions of this policy and the Institute clauses stated in your policy schedule.

Any reference in the conditions of insurance to Institute clauses is to the clauses published by Lloyd's Market Association and the International Underwriting Association of London current at the effective date of this policy.

4. VALUING YOUR INSURED CARGO

4.1 Basis of Valuation

The basis of valuation establishes the value that cargo is insured for by this policy.

- a) This policy is a 'valued policy' (i.e. agreed value) as described in Part II Section 33 of the Marine Insurance Act 1909.
- b) The agreed value of the insured cargo or livestock will be its invoice cost plus the cost of insurance and freight plus 10% (CIF+10%) unless a different basis of valuation is agreed and stated in the policy schedule.

Where the basis of valuation includes the cost of 'freight' this includes all costs incidental to the insured transit that are not covered by the invoice.

5. WHAT WE WILL PAY

5.1 How we calculate your claim

Except as otherwise provided for in this policy claims are adjusted in accordance with Part VI Measures of Indemnity of the Marine Insurance Act 1909.

We have the option of settling a claim by payment, repair, reinstatement or replacement.

5.2 Brands/labels

In the event of loss or damage of insured cargo bearing embossed or indented brands or labels or other permanent markings identifying you as the manufacturer or supplier, or exclusive and/or secret formula that may be involved, the cargo may be retained by you to dispose of as you see fit provided a reasonable allowance is agreed for the value of the damaged and undamaged cargo.

Where only the labels of the cargo are affected by the insured event, the amount payable by us is limited to the reasonable cost of reconditioning and relabelling, subject to our liability not exceeding the insured value of the cargo.

5.3 Compensation from other parties (waiver of rights)

Where another party is liable to compensate you for any loss or damage which is covered by this policy but where you have agreed not to seek recovery of any monies from that party, then we will not provide cover under this policy for such loss or damage, or may reduce our liability under the policy contract as permitted by law.

5.4 Limit of liability

The limits of liability stated in:

- a) the policy schedule;
- b) any endorsements;

and any sub-limits expressed in this policy apply to any one accident or series of accidents caused by the one event.

5.5 Other policies of insurance (non-contribution)

If, at the time of any loss or damage to the insured cargo, there is any other current insurance, whether effected by you or by any other person or persons, covering the same cargo, we will not be liable (where legally entitled) for more than the rateable proportion of the loss, damage or expense.

5.6 Replacement and repair of machinery

In the event of loss or damage to any part(s) of an insured machine consisting of more than one part, cover under this policy shall not exceed the cost of replacement or repair of the part(s) plus labour and (re)fitting and carriage costs. Duty incurred in the provision of the part(s) shall also be claimable provided that the full duty payable on the part(s) is included in the amount insured. Our limit of liability will not exceed the amount insured of the machine or manufactured item calculated in accordance with Clause 4 – Valuing Your Insured Cargo.

5.7 Sorting charges

Where, following an incident that is recoverable under this policy, our surveyor requires or recommends that packages and/or damaged cargo be sorted in order to ascertain or assess the nature and/or extent of loss and/or damage, expenses arising from such sorting shall be recoverable hereunder notwithstanding that a claim for such loss or damage is not ultimately made by you.

5.8 Used machinery and plant

In the event of loss or damage to machinery and plant greater than 5 years old, cover under this policy will be restricted to the cost of reinstatement. Reinstatement shall mean:

- a) Where such property is lost or destroyed the replacement cost of similar property in a condition equal to, but not better or more extensive than its condition at the time of loss.
- b) Where such property is damaged, the repair of the damage and the restoration of the damaged portion of the property to a condition substantially the same as, but not better or more extensive than its condition at the time of loss.

6. WHAT YOU MUST PAY IF YOU MAKE A CLAIM

6.1 Deductible (excess)

For claims you make on this policy, you will have to pay the deductible which is shown on your policy schedule. If more than one deductible is payable under this policy for any claim or series of claims arising from the one accident you must pay the highest deductible, but you pay only one deductible.

No deductible will be payable by you in respect of any claim that would have been recoverable by a peril insured against under the Institute Cargo Clauses (B), had they been applicable.

7. AUTOMATIC COVER EXTENSIONS

The following extensions automatically apply to this insurance, provided you have an insurable interest at the time of loss.

7.1 Cargo ISM forwarding charges

This insurance is extended to reimburse you, up to the sum insured for the voyage, for any extra charges properly and reasonably incurred in unloading, storing and forwarding the insured cargo to the destination to which it is insured, following release of the insured cargo from a vessel arrested or detained at or diverted to any other port or place (other than the intended port of destination) where the voyage is terminated due either:

- a) to the vessel not being certified in accordance with the ISM Code
- b) to a current Document of Compliance not being held by her owners or operators

as required under the SOLAS Convention 1974 as amended.

This clause, which does not apply to GENERAL AVERAGE or SALVAGE CHARGES, is subject to all other terms conditions and exclusions contained in the policy.

7.2 Delayed unpacking

Where packages of the insured cargo are not opened immediately upon arrival, loss or damage covered by this policy which was not immediately apparent at the time of arrival shall be recoverable providing:

- a) the damage is discovered within 90 days of arrival;
- b) any packages bearing outward signs of loss or damage at the time of arrival are opened and inspected immediately.

7.3 Duty and taxes (imports only)

This policy is extended to include the amount of any duty and/or taxes paid or payable by you in respect of the insured cargo at the destination. The increased value shall then attach as an additional insurance on the insured cargo from the time of payment of the duty and/or taxes.

You agree to include in your declaration to us, the amount of duty and/or taxes paid and/or payable on all cargo insured under the policy.

Excluding claims for:

- a) total loss of part of the insured cargo before the duty and taxes become payable.
- b) general average contributions and salvage charges arising from any casualty occurring before the duty and taxes become payable.
- c) duty and taxes refunded or rebated by customs authorities on lost or damaged cargo.

You must take all reasonable steps to obtain a credit for duty and taxes paid or payable on lost or damaged cargo.

7.4 Insolvency of carrier

If the insured transit is interrupted or terminated due to the insolvency or financial default of the carrier, whether or not loss or damage has been occasioned to the cargo, we will pay you the extra costs of freight and/or storage to forward the cargo to its intended destination, or to return the cargo to the place from which it was despatched, up to a maximum of 10% of the insured value of the cargo (calculated according to Clause 4 – Valuing Your Insured Cargo).

This cover will not apply where, at the time of loading of the cargo on board the conveyance, you were aware, or in the ordinary course of your business should be aware, that such insolvency or financial default could have occurred during the insured transit.

7.5 Loss of information/data/media

This policy extends to include all claims for loss of information/data/media where there is external visible evidence of damage from an insured event.

The amount we pay will be the reasonable cost of rewriting the information or data.

7.6 Overcarried cargo

Should the insured cargo be overcarried to a different destination, this policy covers the cargo until returned to the original destination.

7.7 Packaging & shipping containers

This policy covers accidental loss of or damage to packaging and shipping containers while carried in transit. Expenses incurred in demurrage charges following the late return of shipping containers are also covered where the charges are necessary due to you retaining containers for our inspection following a claim and upon our instruction.

Subject to a limit of \$50,000 unless otherwise specified in the policy schedule and provided the costs are not recoverable under any other policy of insurance.

'Packaging' means:

packing materials, crates, pallets, or similar items belonging to you or for which you are responsible.

'Shipping containers' means:

shipping containers for which you are legally liable under a container handover or similar contractual agreement.

7.8 Packers' premises

The insured cargo is covered from the time of leaving the supplier's warehouse while in transit to the packer's warehouse. Cover remains in force while at the packer's warehouses and thereafter while in transit to final destination.

7.9 Refused cargo

In the event that you or your customer either refuse delivery or are unable to accept delivery of insured cargo, cover is extended to insure the cargo during any delay, storage or onward transport.

7.10 Removal of debris/clean-up costs

This policy covers all reasonable costs and expenses incurred in unloading, removing and disposing of insured cargo that has been damaged by an insured event as well as clean-up of the accident site.

Subject to a limit of \$50,000 unless otherwise specified in the policy schedule and provided the costs are not recoverable under any other policy of insurance.

7.11 Seaworthiness admitted

We admit the seaworthiness of the vessel. We agree that any claim under this policy will not be prejudiced by the fact that the loss or damage may have been attributable to the wrongful act or omission of the shipowners or their servants committed without your involvement.

12 Shut-out

In the event of insured cargo being 'shut-out' from the conveyance at an intermediate place during the course of transit, this insurance covers the cargo while waiting for an alternative conveyance provided it is stored in a secure area, but excluding any loss or damage caused by delay.

8. COVER LIMITATIONS

8.1 Cargo ISM clause

Applicable to shipments on board vessels of 500 GRT or more.

In no case shall this insurance cover loss, damage or expense where the insured cargo is carried by a vessel that is not ISM Code certified or whose owners or operators do not hold an ISM Code Document of Compliance when, at the time of loading of the insured cargo on board the vessel, you are aware, or in the ordinary course of business should have been aware:

- a) either that the vessel was not certified in accordance with the ISM Code;
- b) that a current Document of Compliance was not held by her owners or operators;

as required under SOLAS Convention 1974 as amended.

This exclusion shall not apply where this insurance has been assigned to the party claiming who has bought or agreed to buy the insured cargo in good faith under a binding contract.

8.2 On deck shipments

Cargo shipped on deck in general purpose ISO fully enclosed shipping containers or cargo carried on deck without your privity, knowledge or consent, but subject to an under-deck bill of lading, is covered in terms of this policy.

Other on-deck cargoes are covered on policy conditions but exclude loss, damage or expense caused by or arising from rust, oxidation, discolouration, fresh water or sea-water unless as a result of a peril insured by the Institute Cargo Clauses (B) with clause 1.2.3 deleted.

9. WHEN YOU ARE NOT COVERED

Cover exclusions are stated in the Institute clauses that apply to your cover as referred to in your policy schedule. In addition, this insurance does not cover loss of or damage to the insured cargo or liability or expense caused by any of the following:

9.1 Consequential loss/delay

Loss of market and loss arising from delay or consequential loss of any description even if consequent upon the happening of an insured event.

9.2 Electrical, mechanical & electronic failure

Electronic, electrical or mechanical failure of the insured cargo where there is no external visible evidence of damage from an insured event.

9.3 Insolvency of carrier

Expense arising from the insolvency or financial default of the carrier other than as provided by Clause 7.4.

9.4 Livestock

To animals caused by inoculation and/or its after effects, infectious diseases, rejection, abortion, loss/death of foetus, loss of use or delay.

9.5 Pre-existing damage

Loss or damage that existed or occurred prior to the commencement of the insured transit.

9.6 Rust/oxidisation/discolouration

Rust, oxidation and/or discolouration unless caused by an insured event.

9.7 Radioactive contamination

Loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from:

- a) ionizing radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel.
- b) the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof.
- c) any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter.
- d) the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter. The exclusion in this sub-clause does not extend to radioactive isotopes, other than nuclear fuel, when such isotopes are being prepared, carried, stored, or used for commercial, agricultural, medical, scientific or other similar peaceful purposes.
- e) any chemical, biological, bio-chemical and electromagnetic weapons.

9.8 Radioactive contamination - USA/Canada

In so far as Clause 9.7 Radioactive Contamination applies, the inclusion of this clause in the policy is material to our willingness to provide coverage at the quoted terms, conditions and rates. It is the intent of the parties to give maximum effect to Clause 9.7 Radioactive Contamination as permitted by law. In the event that any portion of this clause may be found to be unenforceable in whole or in part under the law of any state, territory, district, commonwealth or possession of the USA, or any province or territory of Canada, the remainder will stay under full force and effect under the laws of that state, territory, district commonwealth or possession, province or territory. Further any such finding will not alter the enforceability of Clause 9.7 Radioactive Contamination under the laws of any other state, territory, district, commonwealth or possession of the USA, or any province or territory of Canada, to the fullest extent permitted by applicable law.

9.9 Sanctions Limitation and Exclusion Clause

You are not insured under this policy where a claim payment breaches any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, the European Union, United Kingdom or United States of America, or any local autonomous sanctions.

9.10 Termination of transit clause (terrorism)

This clause shall be paramount and shall override anything contained in this insurance inconsistent therewith.

1. Notwithstanding any provision to the contrary contained in this policy or the clauses referred to therein, it is agreed that in so far as this policy covers loss of or damage to the cargo caused by
 - a) any act of terrorism being an act of any person acting on behalf of, or in connection with, any organisation which carries out activities directed towards the overthrowing or influencing, by force or violence, of any government whether or not legally constituted, or
 - b) any person acting from a political, ideological or religious motive

such cover is conditional upon the subject-matter insured being in the ordinary course of transit and, in any event, SHALL TERMINATE either:

- a) as per the transit clauses contained within the policy, or
 - b) on completion of unloading from conveyance in or at the final warehouse or place of storage at the destination named herein, or
 - c) on completion of unloading from the conveyance in or at any other warehouse or place of storage, whether prior to or at the destination named in the contract of insurance, which you or your employees elect to use either for storage other than in the ordinary course of transit or for allocation or distribution, or
 - d) when you or your employees elect to use any conveyance or any container for storage other than in the ordinary course of transit, or
 - e) in respect of marine transits, on the expiry of 60 days after completion of discharge overseas of the cargo from the overseas vessel at the final port of discharge,
 - f) in respect of air transits, on the expiry of 30 days after unloading cargo from the aircraft at the final place of discharge, whichever shall first occur.
2. If this policy or the clauses referred to therein specifically provide cover for inland or other further transits following on from storage, or termination as provided for above, cover will re-attach, and continues during the ordinary course of that transit terminating again in accordance with clause 1.

9.11 War

War, acts of war (whether war be declared or not), rebellion, revolution, lawful seizure, confiscation, nationalisation, requisition, destruction or damage by or by the order of any government, public or local authority unless the insured cargo is in transit aboard a conveyance.

10. GENERAL CONDITIONS

10.1 Due diligence

You must take all reasonable care to prevent loss, destruction, expense, damage or death covered by this policy.

10.2 Variation of war and strikes rates

We have the right to vary the war and strikes rate for a country or area by giving you seven (7) days' notice (forty-eight (48) hours for strikes risks on shipments to or from the USA) of the amendment in accordance with the Institute War Cancellation Clause (Cargo).

The amended rate will apply from the end of the period of notice that begins at midnight of the day that the notice is issued by us. It will not apply to transits where cover under this policy has attached before the amended rate applies.

Our rights to cancel cover for war and strikes risks to a country or area or entirely are not prejudiced by prepayment of the war and strikes premium.

10.3 Changing your policy

If you want to make a change to this policy, the change becomes effective when we agree to it in writing.

You must give us immediate notice if there is any material change in the circumstances or nature of the risks covered by this insurance. No claim arising after the change shall be payable unless we have agreed to the change in writing.

10.4 Headings

The headings and titles of paragraphs in the policy are included for descriptive purposes only and do not form part of this policy for the purposes of its construction or interpretation, except for the headings contained in 'Definitions' (Clause 12) of this policy.

10.5 Cancelling your policy

How you may cancel this policy

Provided the insured transit has not commenced you may cancel this policy at any time by telling us in writing that you want to cancel it.

How we may cancel this policy
