IMPORTANT NOTICES

The information you provide in this document and through any other documentation, either directly or through your insurance broker, will be relied upon by the insurer to decide whether or not to accept your insurance as proposed and if so, on what terms.

Every question must be answered fully, truthfully and accurately. If space is insufficient for your answer, please use additional sheets, sign and date each one and attach them to this document.

If you do not understand or if you have any questions regarding any matter in this document, including the Important Notices, please contact us or your insurance broker before signing the Declaration at the end of this document.

Unless we have confirmed in writing that temporary cover has been arranged, no insurance is in force until the risk proposed has been accepted in writing by us and you have paid or agreed to pay the premium.

YOUR DUTY OF DISCLOSURE

This Policy is subject to the Insurance Contracts Act 1984 (Act). Under that Act You have a Duty of Disclosure.

Before You take out insurance with Us, You have a duty to tell Us of everything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms. If You are not sure whether something is relevant You should inform Us anyway.

You have the same duty to inform Us of those matters before You renew, extend, vary, or reinstate Your contract of insurance. The duty applies until the Policy is entered into, or where relevant, renewed, extended, varied or reinstated (Relevant Time).

If anything changes between when the answers are provided to Us or disclosures are made and the Relevant Time, You need to tell Us

Your duty however does not require disclosure of matters that:

- reduce the risk;
- are common knowledge;
- We know or, in the ordinary course of Our business, ought to know; or
- We have indicated We do not want to know.

If You do not comply with Your duty of disclosure, We may be entitled to:

- reduce Our liability for any claim;
- cancel the contract;
- refuse to pay the claim; or
- avoid the contract from its beginning, if Your non-disclosure was fraudulent.

CLAIMS MADE POLICY

This proposal is for a Claims Made Policy. This means that the policy only responds to:

- Claims first made against you and notified to the Insurer during the policy period arising from events after any retroactive date on the policy, and
- Events of which you first become aware during the policy period that could give rise to a future claim provided that you notify the Insurer during the policy period of the circumstances of such events and they arose after any retroactive date on the policy.

When the policy expires, no claims can be made on the policy even though the event giving rise to the claim may have occurred during the policy period.

PRIVACY

We are committed to protecting your privacy in accordance with the Privacy Act 1988 (Cth) and the Australian Privacy Principles (APPs), which will ensure the privacy and security of your personal information.

The information provided in this document and any other documents provided to us will be dealt with in accordance with our Privacy Policy. By executing this document you consent to collection, use and disclosure of your personal information in accordance with our Privacy Policy. If you do not provide the personal information requested or consent to its use and disclosure in accordance with our Privacy Policy, your application for insurance may not be accepted, we may not be able to administer your services/products, or you may be in breach of your duty of disclosure.

Our Privacy Policy explains how we collect, use, disclose and handle your personal information including transfer overseas and provision to necessary third parties as well as your rights to access and correct your personal information and make a complaint for any breach of the APPs.

A copy of our Privacy Policy is located on our website at www.sura.com.au

Please access and read this policy.

If you have any queries about how we handle your personal information or would prefer to have a copy of our Privacy Policy mailed to you, please ask us.

If you wish to access your file please ask us.

NOT A RENEWABLE CONTRACT

Most Professional Indemnity Insurances are not renewable contracts so the Policy will terminate on the expiry date indicated. If you therefore require a subsequent Policy, you will need to complete and submit a new proposal form for assessment prior to the termination of the current policy.
