

## DEALING IN SEVERITY EXPOSURES AND COMPLEX LIABILITY RISKS

### WHO IS SURA SPECIALTY?

---

SURA Specialty delivers cover to complex and higher exposed liability risks across a wide range of occupations. Our extensive underwriting authority, provided by our Binding Authority Agreements with certain underwriters at Lloyd's, delivers attentive and dynamic solutions for complex risks.

### PREFERRED OCCUPATIONS LIST

---

We look for well managed businesses, particularly where the proprietor/owner has adequate experience/qualifications and a high degree of quality control where required.

Below is a list of target occupations which are subject to meeting our underwriting criteria.

- Air conditioning installers and/or servicing
- Asphaltting contractors
- Bridge builders, repair and/or maintenance
- Contractors (performing installation, repair and or maintenance work) at high hazard facilities e.g. airports, dams, offshore platforms, petrochemical facilities, above / underground mines.
- Crane operators
- Demolition (excl. Asbestos cover)
- Diesel mechanics
- Earthmoving (incl. light, heavy and/or civil works)
- Fertiliser manufacturing, importing and/or spreading
- Fire protection equipment manufacturers, installers etc
- Hazardous goods cartage and/or storage, incl depots
- Heavy engineering risks
- Linesmen high voltage
- Manufacturer and/or importer of complex products
- Motor Vehicle critical parts manufacturing and/or importing/exporting

- Nightclubs (strict underwriting conditions apply, please refer to underwriter prior to forwarding submission)
- Non-destructive testing
- Offshore platforms (contractors performing maintenance and/or repair on such)
- Playground manufacturing, installation and/or maintenance
- Petrochemical related risks (incl. cartage, depots, service station, refuelling of Watercraft and/or Watercraft bunkering)
- Railway signalling contractors and/or railway contractors
- Riggers
- Road construction, repair and/or maintenance
- Road traffic controllers
- Scaffolders (no height restriction)
- Smallgoods manufacturing
- Training organisations (eg OH&S, welding, crane operations, working in confined spaces, first aid etc)
- Tyre importers
- Underground mine exposures (not operating or owning mines)
- Watercraft manufacture, repair and/or maintenance
- Welding contractors
