

Purpose built cover for cargo, carrier's freight, portable property and commercial hull

SURA Marine delivers international market quality insurance protection for marine cargo, general property, carriers load and commercial hull risks. Purpose built from the ground up by experienced marine underwriters with a commitment to quality, our promise is to deliver innovative, comprehensive marine cover that gives our select broker networks an exclusive edge.

Coverage

- ▶ Designed from the ground up to provide international market quality insurance protection, SURA's suite of marine insurance products are both comprehensive and innovative.
- ▶ Our cargo products extend the usual cover with additional benefits that provide added financial protection for those with cargo in transit.
- ▶ SURA's carriers load policy provides a simple and comprehensive way to protect road carriers for their responsibility for freight damage, be it through their negligence or contractual responsibilities.
- ▶ Our innovative general property cover provides several options for covering nominated items against loss or damage, be it in transit, in a static location, or anywhere in the world.
- ▶ SURA's commercial vessel cover provides a simple plain English solution for the insurance of hull and machinery, liabilities, and loss of charter hire.

Appetite

- ▶ Annual and one-off cargo risks from the simple to the complex, including static warehousing risks and stock throughput covers.
- ▶ General property risks for anything from tradesman's tools and race cars to high valued and specialised tools of trade.
- ▶ Carriers load risks for everyone from the small owner operators to the top tier transport companies and those who have specific contractual liability requirements.
- ▶ Commercial hull risks, including coastal passenger charter and work boats.

Take advantage of

- ▶ Our products are exclusive to select broker networks.
- ▶ Policy wordings have been developed drawing upon covers previously only available to international brokers.
- ▶ Our strategic alignment with the insurer permits portfolio based underwriting and broader policy wordings.
- ▶ Comprehensive policy coverage first time, every time.
- ▶ Claims are managed efficiently by OBE's state based specialist marine claims staff.
- ▶ Brokers have direct access to industry leading specialist underwriters.
